**Tangled coffee table:** Tops are available in clear glass or smoked glass. The top in the middle and / or bottom part can be optionally equipped with an inlay of oak veneer, dark brown stained. The small part of the Tangled coffee table is mobile. The frame is powder coated in black RAL 9005 or taupe RAL 7006 and standard performed with black screws. Brass screws are available on request.

**Tangled Square coffee table:** The frame is powder coated in black RAL 9005 or taupe RAL 7006 and the Square coffee table can be finished in clear glass or smoked glass. The frame is supplied with black screws as standard, available with brass screws on request.

**Tangled side table:** The frame is powder coated in black RAL 9005 or taupe RAL 7006. The tops are made of clear glass or smoked glass.

Tangled is inspired by the steel window frames that were often used in industrial buildings in the past. For the Tangled series, designer Carolina Wilcke experimented with form and construction and designed two interlocked volumes that together form a new shape. The result is both intriguing and practical!
