

ABOUT A CHAIR / AAC23

Design by Hee Welling & HAY

The About A Chair AAC23 design exudes the functional simplicity that is characteristic of this entire series. The full upholstered shell comprises a curved back with armrests in polypropylene, providing excellent comfort and a soft, unified silhouette, while the four-legged wooden base adds a timeless, classic expression, ensuring greater stability and a longer lifetime. The extensive range of colours, upholstery options and wood choices for the base offer the opportunity to create almost infinite design combinations.

PRODUCT DETAILS

- / Part of a multi-functional family of dining and conference chairs, office chairs, bar stools, lounge chairs, tables, an ottoman and a sofa.
- / Variability of textiles, colours and base finishes.
- / Suitable for a wide variety of private and public environments.
