FOR NEW EXTENSION MECHANISM 2011

TABLE SERIES

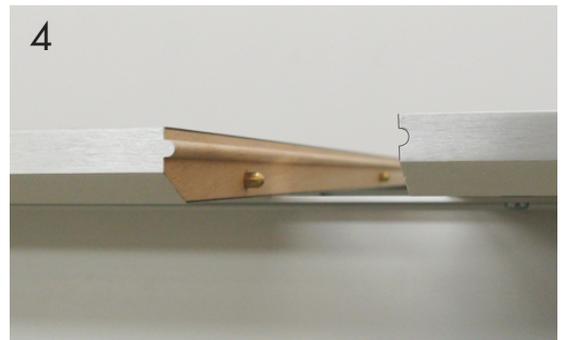

B 618 - B619 - B620
PIET HEIN/BRUNO MATHSSON

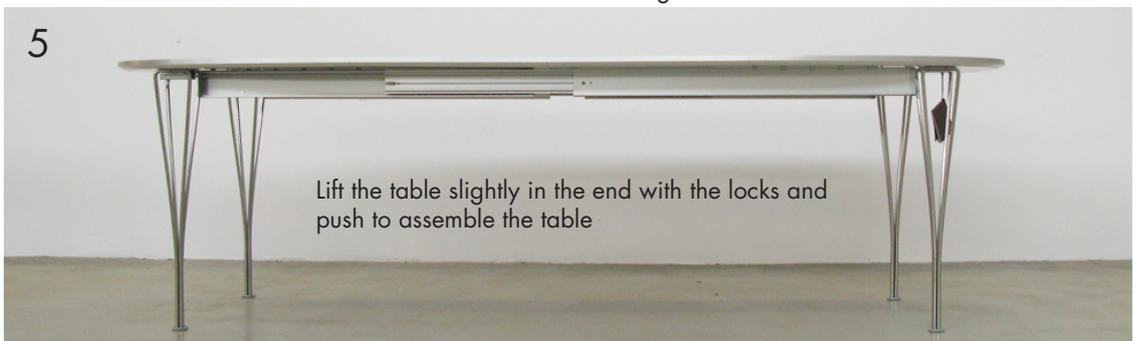

Unlock the extension mechanism by pushing down the levers placed at the end of the guide rails underneath the table top.

One person on each side of the table carefully lift both extension leaves from the holder.

Place one or two extension leaves in the gap of the extended table. Make sure that the pins and holes are aligned.

Lock the extension mechanism in both sides by pulling up the levers placed at the end of the guide rails underneath the table top.
