

GUBI 3D Dining Chair - Un-Upholstered, Center base, Plastic Shell

Designed by Komplot Design - 2023

ITEM NUMBER	GUBI 3D Dining Chair	61846
DESCRIPTION	Launched in 2003, the GUBI 3D Chair was one of the first dining chairs to join the GUBI Collection, and has since become a brand hallmark. Conceived by the Danish studio Komplot Design, it pushed the boundaries of cutting-age veneer-molding technology. The GUBI 3D Chair Collection includes an upgraded veneer edition and a new recycled-plastic version, both available in dining chair, lounge chair, and counter and bar stool variations. The veneer options are crafted from FSC®-certified oak or American walnut and wood from other controlled sources (FSC® C176589) with a range of upholstery fabrics. Also suited to outdoor use, the more casual recycled plastic edition can be supplied in three colors – Black, Lunar Gray, and Alabaster White. The collection is exceptionally versatile: there’s a GUBI 3D Chair for every setting and style.
