

ABOUT A CHAIR / AAC 127 SOFT

DESIGN BY HEE WELLING & HAY

The AAC 127 Soft fuses the sleek, elegant aesthetic of the four-legged steel frame with the softness and warmth of the quilted shell. Retaining the same high backrest and generous seat that characterises the series, this design features a functional base with angled legs that slant slightly outwards for optimal stability. The base is available in chrome and powder-coated finishes, and the quilted shell is offered in a variety of upholstery options, providing a multitude of design combinations that give this series versatility in a wide range of corporate, public, and private contexts.
