

MAMMOTH SOFA

by Rune Krøjgaard & Knut Bendik Humlevik

The Mammoth Sofa is based on curves and shape of the iconic Mammoth Chair. Some call it a love-seat, we simply call it the Mammoth Sofa. It's a beautiful piece of furniture with the comfort of a lounge chair but the size to fit at least two people. The two wings provide the feeling of privacy and serenity making the Mammoth Sofa perfect for public spaces, hotel lobbies, offices or just a modern home.
